**ORDER**

On February 10, 2020, the Clerk opened this case file upon receipt of the civil cover sheet (Doc. 1) from Plaintiff. The opening of the case file allows a Plaintiff to electronically file his or her complaint or other case initiating documents, and Plaintiff was informed that failure to file those documents by the close of business on February 11 might result in termination of the case.

The case initiating documents were not filed and there is no cause of action to dismiss. The Clerk is directed to terminate this case and close the case file.

IT IS SO ORDERED this 12th day of February, 2020.
